Your Ceremony & Reception Spaces

The White Gazebo

A classic, romantic setting surrounded by gardens and greenery — a timeless focal point for exchanging vows, and one of the most photographed corners of the estate.

The Western Sweetheart Arch

A custom ceremony arch with a subtle nod to Alberta's western heritage, offering a warm, welcoming atmosphere for couples who love country charm with refined style.

The Historic Barn Lawn

Framed by the character of our 1904 Historic Barn, this outdoor space creates a striking, storybook backdrop for your vows and timeless photographs.

The Historic Barn, indoors

For a weather-ready or fully indoor ceremony: warm wood, sparkling chandeliers, and the quiet "wow" guests feel the moment they step inside.

The Grand Ballroom

A 6,000 sq ft chandelier-lit ballroom at the heart of the estate — the setting for your reception, first dance, and the rest of the night.

Good to know
